

APPLICATION

One step set up, the Megadeck lectern comes complete with XLR jacks.

NEEDS ASSESSMENT

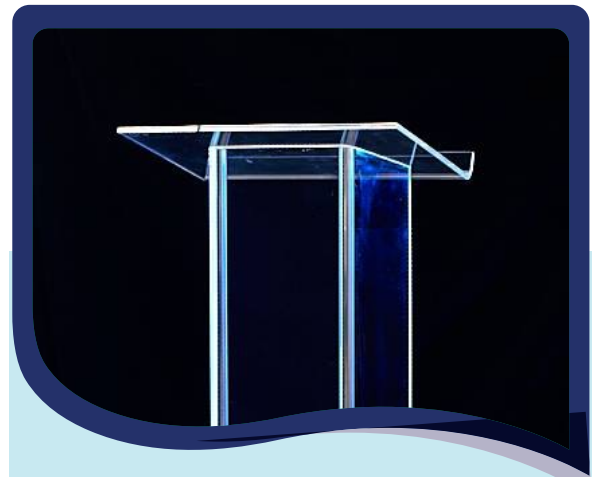

- **PRIVATE FUNCTIONS** - Weddings and special events for individual or group speakers.
- **CORPORATE EVENTS** - Perfect for AGM's and shareholder meetings, often accompanied by a visual presentation.
- **MEDIA LAUNCHES** - In addition to a media wall, the lectern can provide the unique brand awareness required for a one off event.
- **HOTELS** - Ideal for hotel chains to own their own lectern which can be used for special events throughout the year.
- **EVENT COMPANIES** - The perfect addition to any event company's inventory for a one-stop-shop solution for their customer event needs.

TECHNICAL DIAGNOSTICS & SPECIFICATIONS

Routed edges ensure a safe and smooth finish. The document tray measures 600mm wide x 300mm making it more than adequate for any information required during a presentation. Clear acrylic allows for personalized logos and decals to be applied to the surface. Megadeck can provide Shure MX400 series microphones with flexible connections for the best height and projection for guest speakers.

RATINGS AND WARRANTY

Every Megadeck lectern is tested prior to each and every event to ensure reliability. All testing is conducted in-house as a seal of approval and for your peace of mind.

The popular clear acrylic lectern is ideal for events and corporate functions for guest speakers.
